Headline:
Mostly fine, cloudy and dry tonight. Sunny spells developing Sunday.

This Evening and Tonight:
Bright or sunny spells in the west this evening. Cloudier towards the coast, this cloud then spreading inland overnight. Mainly dry, though some drizzle possible in eastern parts. Temperatures a little lower than last night. Minimum temperature 10 deg C (50 deg F).

Sunday:
A largely cloudy morning, especially along the coast, with some light drizzle possible at times. Increasingly bright or sunny spells developing through the afternoon and feeling warmer. Gentle winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Monday to Wednesday:
Mist, low cloud and coastal fog clearing slowly on Monday with sunshine and scattered afternoon showers developing. Tuesday and Wednesday will be cooler, breezier with outbreaks of rain or showers.
